

### Velocity Writer Application:

This is your chance to join one of the best creative departments in the country. Of course, we'd first like to see some evidence of how your beautiful brain works – and any interesting, inventive, funny, big, homemade, weird, smart or simple ideas you've had.

And while big ideas are still king, we'd also like to see that you can string a few sentences together. Along with a link to your site and resume, please write an engaging cover letter that will get us interested enough to open that link.

We are excited to see your work and to learn a little more about you. We have a great culture at MW, and anyone coming in will influence that. That means we'd like to have you give us a glimpse into how awesome you might be to have around every day.

And please tell us how you heard about the Velocity program.

That's it.

Your application deadline is **March 15, 2019**.

We'll review all of the applicants' submissions and let you know if you've made it to the interview stage in April. Send your cover letter, resume and link to your site to:

Martin Williams Hiring Committee  
150 S. Fifth St.  
Suite 900  
Minneapolis, MN 55402

Thank you for applying to Velocity; we are glad you did. Good luck, and we look forward to seeing your work.
